FINAL GRADING APPROVED BY VILLAGE ENGINEER _____

(All new construction requires final grading approval)

APPROVED _____

REGULATIONS

1. All watering of new sod **between May 15 through September 15** shall require the issuance of a permit by the Village of Burr Ridge Community Development Department upon determination that the application complies or will comply with the regulations herein.
2. No permit related to the construction of a building or home will be issued unless the water meter is sealed, buffalo box approved, **and final grading has been approved.**
3. An application for a sod permit shall be accompanied by proof of purchase or installation of new sod. Proof may consist of a recent receipt to purchase sod or a contract with a landscaping business for installation of sod. Watering for new sod may begin immediately upon issuance of the sod permit.
4. The signed sod permit sign shall be kept in a front window of the building in a location with clear visibility from the adjoining street.
5. Watering in conjunction with a sod permit shall be limited to the hours of 9:00 AM to 6:00 PM and 9:00 PM to 6:00 AM.
6. The Village of Burr Ridge reserves the right to suspend watering authorized by sod permits if Village water supply requirements so dictate.
7. The Village of Burr Ridge Police Department will monitor all sod permits to ensure compliance with these requirements. Violations of these regulations will result in a fine of \$50.00 for each occurrence.
8. Sod permits shall be limited to a maximum of 30 days or less if determined appropriate by the Community Development Director. **At the time of issuance, a sod permit will be given a specific expiration date.**
